

YEAR 2023

Susan Kay Matthew
FOUNDATION

Annual Report 2023

A WORD FROM THE CHAIR

This year marked the Susan Kay Matthew Foundation's third year of charitable giving, and we are inspired by and grateful for the incredible community organizations whose work we support.

As we look towards 2024, the Foundation looks forward to continuing to support community partners as well as develop new strategic partnerships.

As we close out the year and prepare for the next, we continue to hold our motto close:

Helping where we can to make life better.

Susan Kay Matthew

SUSAN KAY MATTHEW
FOUNDATION
CHAIR OF THE BOARD

ABOUT THE FOUNDATION

Established in 2021 as a tax-exempt not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code, the Susan Kay Matthew Foundation is a family-run charitable foundation that aims to improve the lives of individuals, children, families, and the environment. Through strategic partnerships and charitable donations to trusted service providers, our goal is to provide resources and support where they're needed most. We are dedicated to making a positive impact on the world and addressing the critical issues our communities face.

The Foundation Board consists of Susan (Sue) Kay Matthew, the Chair of the Board, and her four daughters, Amy, Jennifer, Lenore, and Danielle, who are Board Members.

MISSION STATEMENT

Help where we can to
make life better.

FOUNDATION FOCUS AREAS

Children's and Families' Well-Being

We believe that every child deserves a happy and healthy childhood, and that all families should have access to the resources for that to happen. We support initiatives that promote the well-being of children and families in need in areas like support for foster youth, education, and safe housing.

Domestic Violence

The Foundation is committed to making a positive impact in the lives of survivors of domestic violence. We work with trusted organizations that provide shelter, safety, and support services to survivors, particularly mothers and children.

Health & Mental Health

We believe everyone deserves access to the tools and resources they need to take control of their physical and emotional health. That's why we partner with different organizations that provide a range of health and mental health services.

Environmental Restoration & Conservation

We are committed to protecting the environment and preserving our natural resources, especially those of our oceans. We support community initiatives that promote sustainable practices and conservation efforts.

Housing & Homelessness

Everyone deserves safe housing and we work with partners who share our vision. We support organizations providing emergency housing as well as those helping individuals and families secure long-term accommodation.

Disaster Relief

We are dedicated to helping communities rebuild and recover from devastating events. We work with partners who specialize in disaster response to ensure that aid is provided to communities and individuals in need.
